

### Pre-Schoolers (Ages 1-5)

18 HOURS

Let your child's second language journey begin here, with a solid introduction to essential vocabulary like colors, numbers, family members, letters (or characters, if applicable), all delivered through the activities of art, song and play!

#### PRICING

### Grade-schoolers (Ages 6-13)

18 HOURS

Whether your school-age scholar needs supplemental instruction or just needs to satisfy an itch to learn a second tongue, this program can be customized around those needs, and include areas of the student's interests.

#### PRICING

Contact us for payment options, including payment plans and discounts!

### Highschoolers (Ages 14-17)

24 HOURS

Designed for the mature young scholar looking ahead to college, this program offers a more focused approach to complement current high school or home school instruction. Of course, we always cater to those ambitious polyglots that just want to learn too.

#### PRICING
